

As we face an unprecedented global crisis that is affecting not only the hospitality industry but our community as a whole, Accor's top priority is the safety, security, health and well-being of its employees.

The **ALL Heartist Fund** is a charitable fund that has been set up to support Accor Heartists who are in distress as a result of the COVID-19 pandemic. The fund will provide financial grants to assist with medical expenses, food and other essential supplies and services.*
